

# BG Schorndorf Vorkurs Klasse 6 2017/2018 – Hotel Project

Good afternoon everybody!

What we are going to present to you is the V.I.P. Resort in Dubai. First of all we would like to show to you our slogan. It is "Vacation in perfection!" We would like to explain the special thing about our hotel. You can see it on the right of the poster.

It's a sketch of our hotel with all the rooms. You can see that it is mostly underground. On the first level there is one of our rooms for common use. At the bottom of the sketch there are two underground pools with fake skylines. Please take a look at this picture with a room with artificial light. It is in the top left-hand corner. In the middle you can see our two outdoor pools.

Our restaurant is not underground. In our restaurant you can have a beautiful view on the city of Dubai. There is a picture below the name of our hotel.

We think our rooms for common use are interesting because you can relax there and they are very modern. A picture of one of them is in the middle of the poster, one in the top right-hand corner.

Finally there are two very high buildings in the bottom left-hand corner of the poster. The ocean is nearby and you can visit it if you like.

Thank you for listening. Are there any questions?

Good afternoon ladies and gentlemen,

I'd like to present to you our poster for the Star Tree Hotel. Our hotel is special because it is a big tree house. On the left side of our poster you can see pictures of our rooms. In the middle you can see a picture of our hotel from the outside and of its surroundings. There is a beach, a tropical forest and some big mountains nearby. Our main buildings have the colours pink and purple. On the roofs we have star-shaped pools, three funny water slides and a bar. At the bottom of our poster there is a picture of the beautiful beach near the hotel. On the right you can see pictures of our waterslides and in the bottom right-hand corner you can see pictures of our great restaurants from the inside and the outside.

The restaurant inside is a normal restaurant, but the restaurant outside is on a gigantic balcony.

We hope you enjoyed our presentation. Thank you for listening. Do you have any questions?

Good afternoon guys! Welcome to our presentation!

We're here today to give you some interesting information about our hotel. Let's start with the name of our hotel. You can read it at the top of the poster. It's "Jungle Dream". Below the name of our hotel you can find our slogan. It is "Jungle Dream - the dream is with you!"

Our hotel consists of several hotels. You can see them on the map on the right. The hotels are very big, one hotel has 100 rooms.

We also have blocks of flats. Here you can see our sports fields. We have two basketball courts, and one football field. This brings us to our next point, the beach. The beach is awesome because the sand is yellow and the ocean is blue. We have a yellow chute next to the beach. We have two amazing pools near our hotels, too. In this picture you can see the airport.

Let's move on to the left side of our poster. In the bottom left-hand corner you can see amazing animals, for example, and cool houses with the nicest rooms in the world. In the top left-hand corner you can see a church for religious people and you can even marry there. Finally, on the left, there is our mascot, Tom. It is everywhere in our poster.
