Thank you for listening. If you have any questions, you can call us or you can ask us right now. Are there any questions?

Good afternoon, everybody.

I would like to talk about our advertisement. We present our hotel.

I'd like to start with some activities at our hotel. You can do a lot of different things for example you can bungee jump or we offer tours through the Rocky Mountains. You can also go skiing.

Compared to other hotels we won an award for the best restaurant in America. The next point are our rooms. Every room has got a whirl pool and you can order food every morning.

We think our guests like that in a tombola you can win iPhones and other Apple products.

I now want to talk about other special things. If you want you can get your own cook and massages.

Thank you for listening. Have you got any questions?

Good afternoon, ladies and gentlemen.

Today I'm here to give you information about the hotel IFA Villas Bavaro Sky Resort.

It's a very big hotel with 5 stars and 4 floors. We have got 2000 double rooms and they cost 2500\$ per night. If you want to book one of the 1000 twin rooms you will have to pay 2100\$ per night, but our most expensive rooms are the suites, which cost 5000\$ per night. Stars like Justin Biber have been there.

This brings me to the activities at our hotel. We offer a lot of sport activities. We have two tennis courts, 3 football fields and 200 pools, we have a snowhall, too. There you can go skiing or snowboarding.

I now want to tell you about our 25 restaurants. 20 of them are special.

We think it's important to know that you cannot only do sport, but relax, too, for example in our water park or our zoo.

Sometimes we have special offers so ask us if you are interested.

This brings me to the end of my presentation. Have a nice afternoon.

Are there any questions?

Hello, ladies and gentlemen.

I'm here to present to you our hotel. Our hotel's name is Future Hotel as you can see in the poster.

I'd like to start with the location. You can find our hotel at Hawaiiie and you can call +0510203099.

Let's move on to the rooms. In our hotel we have 60 single rooms, which cost 700€ per night, 50 double rooms, which cost 1000€ per night, and 50 twin rooms, which also cost 1000€ per night.

First I would like to tell you that our hotel is a special underwater hotel. That means it's as high as a skyscraper and deep under water like a submarine. The next special thing is that we have a Future Museum. There you can see inventions for example a car or plane that drive or fly on their own and you can also buy these things.

Another important thing is that we have a ditch around our hotel.

This brings me to another really special thing. We have got a football arena where professional teams like Dortmund or Real Madrid practice. One of the best things is that you can go on a submarine underwater trip.

Thank you for listening. Have you got any questions?
